Apple Pay™

Your Caro card ending in _____ has been added to Apple Pay™

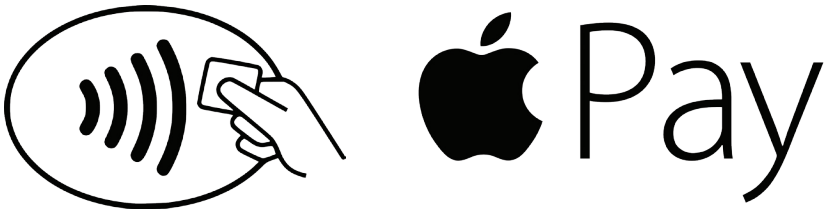
Whether you are paying in a store or within apps, you can now pay with just a touch of your finger on your supported Apple® device.

How to Pay

To pay, just hold your Apply Pay™ enabled device near the contactless reader with your finger on Touch ID. You don't even have to look at the screen to know your payment information was successfully sent. A subtle vibration and beep let you know. In apps, tap the "Buy with Apple Pay" button, verify your information, and then place your finger on Touch ID to complete the purchase.

Where to Pay

You can pay anywhere Apple Pay™ contactless payments are accepted. You can also make purchases within participating apps on iPhone 6, iPad Air™ 2 and iPad mini™ 3 with more stores and apps to come.



Look for one of these symbols at checkout.
